### Slip Slap Slop

As the weather gets warmer would you please ensure your child comes to preschool with suncream already applied.

If your child is on a flexi session and you would like us to re-apply sun cream please ensure you have left your sun cream along with a completed consent form in the office.

### Sickness

If your child has sickness and/or diarrhoea they must stay at home for 48 hours from the final episode.

This is to help ensure infections do not spread. A full list of exclusions is available in the office - please feel free to pop in to take a look.

## EMERGENCY contacts

**Please** make sure we have up to date contact details - it is vital we are able to contact you in the case of an emergency. If details have changed, please let the office know by letter, email, in person, or by phone immediately.

### Lunch Boxes

Thank you for your continued support in our campaign for healthy eating. We would like to remind you that our policy states NO fizzy drinks, sweets, chocolate products or items containing nuts.

Should you wish to add **grapes** or **cherry tomatoes** to your child's lunch box please ensure they are cut into **quarters** to minimise the risk of choking.

### WOW moments!!

Parents are invited to share WOW moments from home as we would love to hear some of the things they say or do that make you go "WOW". Please help us celebrate your child's achievements by writing WOW moments and sharing these with us in the setting. These will be read out and celebrated at group time with their friends.

Together we can enhance your child's learning by bringing events at home and Pre-school together. These achievements are then included in your child's learning journey.
