

Stay and Play

Stay and Play is a fun session where parents/carers can join their children in the Tigger room. The aim of the session is for families to participate in children's activities, with practitioners support to enable parent/carers to gain understanding of a variety of learning opportunities through activities, resources and experiences. Each session is planned to support children's learning in relation to the Early Years Foundation Stage (EYFS).

Children will have the opportunity to:

- Explore a range of stimulating activities and toys which support their early learning development
- Join in with songs, stories and music

Our Pre-school offers a creative, stimulating and challenging environment where children learn and have fun. We invite you to come along to a Stay and Play session and see for yourselves! Everyone is welcome, but each session will have a limited number of places **so booking is required**. Please book your space by speaking to our office administrator, Mrs Hatcher.

Have lots of fun!

TIPS

for parents ATTENDING

There are a few safeguarding guidelines we need to make you aware of in line with our pre-school procedure as your child's safety is our prime concern.

- Please make sure you sign in and out
- If you need to use the toilet during this time please speak to a member of staff so they can ensure children aren't in the cloak room unattended.
- If your child needs the toilet at any time during the session please refrain from going into the toilet with them as they are used to going on their own.
- Younger siblings or babies cannot attend this session as we cannot be responsible for them and it is important that this is a special time for you and your child and other siblings would be a distraction for them.

We would like to thank you in advance for your cooperation and support to make this a very valuable and worthwhile experience for you and your child.
