

## Your Children are Brilliant!

Every day at pre-school we see your children learn and complete new challenges. However, we know that school is not the only place that your children do amazing things. Often the children will tell us if they are really proud of something they have done outside of pre-school, however sometimes we don't get to hear about these occurrences.

To enable us to work in partnership with our parents a bit more, we have 'wow moment' cards. Please fill one in if you feel your child has achieved something exceptional that you would like us to know all about. It may be that they did something that they may have found previously difficult, or they made a fantastic Lego model, rode their bike for the first time, made a cake, got dressed themselves or played really well with their sibling/cousin...it could be anything! Remember all children have different strengths and different skills so each parent will have different things that make them proud...we would just love to be able to celebrate them too!

When you fill one in, please hand to a member of staff. All WOW moments will be displayed on our special board. At the end of term, your child's keyworker will then transfer to your child's learning journal.

We are happy to answer any questions about these and will provide more wow moments cards if you would like them. We shall also add the master copy to our website if you would like to print off some at home.

Many thanks for your continued support.
